Nation	36	<p>Bright prospects from power project that will change lives</p> <p>The Sondu Miriu power plant is now complete and fully operational. The power plant, which cost Sh15.8 billion, is not only appreciated for injecting 60MW of electricity into the national grid but for changing the lives of the members of the local community. Local residents of Kabondo and Nyakach are set to benefit from a Sh100 million water supply project in which 10 boreholes are to be sunk on either side of the river.</p> <p>Project Engineer, Alfred Abiero said the water project would be ready within two months.</p>
