

## PRESS BRIEFS - January 27th, 2011

| PUBLICATION           | PAGE         | HEADLINE & BRIEF  |
|-----------------------|--------------|---|
| <b>Nairobi Star</b>   | <b>Pg 10</b> | <b>KTDA launches Sh5bn hydropower plan in South Rift</b>  |
|                       |              | The report states that the Kenya Tea Development Agency has started a five year plan for Sh 5billion hydropower projects in the South Rift. The projects will cut down the cost of power for the firm and will be established at Setet along Itare River on the banks of Kipsonoi River.  |
| <b>Nairobi Star</b>   | <b>Pg 14</b> | <b>GDC to add 50MW into the grid this year</b>  |
| <b>Daily Nation</b>   | <b>Pg 25</b> | <b>New rigs to cut by hald cost of drilling for geothermal power</b>  |
|                       |              | The publication indicates that GDC plans to start loading atleast 50MW of power into the national grid by the end of the year. The firm which has acquired two drilling rigs says it has instituted measures to cut power generation costs by 50percent to ensure end users afford power. |
| <b>Business Daily</b> | <b>Pg 14</b> | <b>Parliament to discuss ruling on Tanasco</b>  |
|                       |              | The publication states that the Tanzanian parliament will debate the ruling of the International Chamber of commerce requiring the public power utility Tanesco to pay a foreign firm Tsh94billion in compensation for breach of contract.  |
