

PRESS BRIEFS - March 10th, 2011

PUBLICATION	PAGE	HEADLINE & BRIEF
People	29	Work at power plants to begin
Standard	30	Investment to unlock full value of geothermal wells
The Star	15	State advertises for 8 geothermal plants
Business Daily	6	Firm invites steam power bids
		The four publications state that the Geothermal Development Company has invited investors to bid for the tapping of 800MW of power from underground steam. GDC said that it targets to develop 800MW by 2017, 400MW by 2021 and 400MW by 2023 within Bogoria-Silali block located within the expansive Rift Valley.
