

25<sup>th</sup> September 2018

**TENDER FOR SUPPLY OF ENGINE COOLING CHEMICAL FOR KIPEVU POWER STATION KGN-KIP-011-2018**

**ADDENDUM NO.1**

In accordance with the tender for TENDER FOR SUPPLY OF ENGINE COOLING CHEMICAL FOR KIPEVU POWER STATION KenGen hereby wishes to issue Clarification No. 4 as follows,

NO	BIDDERS CLARIFICATION	KENGEN RESPONSE
1.	Whats the final delivery point of the cooling chemical?	The final Delivery Point of the Engine cooling chemical is Kipevu I Power Station.
2	The Quality certificate from KEBS laboratory showing Nitrite (No2 -) concentration may take more than 5 days. Is it possible to extend the deadline by 7 more days taking into consideration the chemical is being sourced from outside the country?	The closing date has been extended to <b>16<sup>th</sup> October 2018 at 2.00PM</b>

**ACKNOWLEDGEMENT OF CLARIFICATION NO.1**

We, the undersigned hereby certify that the addendum is an integral part of the document and the alterations set out in the Addendum have been incorporated in the tender proposal.
