

**TENDER NO. KGN-HYD—034-2017:**  
**TENDER FOR ESTABLISHMENT OF TREES BUFFER ZONE ALONG KENGEN**  
**BOUNDARIES IN KINDARUMA POWER STATION CLARIFICATION NO.1**

In accordance with the tender for establishment of trees buffer zone along KenGen boundaries in Kindaruma power station, KenGen hereby issues **clarification no.1**

	<b>CLARIFICATION</b>	<b>KenGen RESPONSE</b>
1	Will KenGen provide manure/fertilizers during planting or as when needed or it's the contractor?	The answer is No. The planting process does not need manure since the land is fertile enough. It is not mandatory but the contractor may decide to do so to improve the growth rate
2	Who will provide item 1 above when required?	Not applicable
3	Who will be responsible for providing chemicals for pest control?	The contractor. This is a part of the contractor's maintenance duty as per tender document on pest and weed control aspect.

**ACKNOWLEDGEMENT OF CLARIFICATION NO.1**

We, the undersigned hereby certify that the clarification is an integral part of the document and the alterations set out in the Clarification have been incorporated in the tender proposal.

Signed.....
