

TENDER NO. KGN-CW-01-2018

KENYA ELECTRICITY GENERATING COMPANY

TENDER FOR THE SUPPLY OF SMART METERS, DESIGN AND IMPLEMENTATION OF METERING AUTOMATION SOLUTION THROUGH ADVANCED METERING INFRASTRUCTURE TECHNOLOGY.

12th March 2018

Clarification No. 4.

In accordance to the tender for the supply of smart meters, design and implementation of metering automation solution through advanced metering infrastructure technology.

KenGen hereby wishes to make the following clarification on the tender above through

Clarification 4

| Clarification Request No | Paragraph & Page | Text | Request for clarification | KENGEN'S RESPONSE |
|--------------------------|------------------|------|---|--|
| 1 | NA | NA | Regarding servers, is it necessary to supply any communication equipment in order to access to the GSM Public Network provider? | The bidder shall state how the meters communicate to the central server through the GSM. So the bidder is to give a solution |
| 2 | NA | NA | Please, confirm that the solution provided shall be integrated with the current back-up platform (Netbackup 8.0), and that KenGen will provide the needed licenses and storage in the back-up system. | The solution provided shall be integrated to our netbackup if it is compatible to our Net Backup. In this case kenGen shall provide the licences for this. |

ACKNOWLEDGEMENT OF CLARIFICATION NO.4

We, the undersigned hereby certify that the clarification is an integral part of the document and has been incorporated in the tender proposal.
