

KENYA ELECTRICITY GENERATING COMPANY

10th July 2017

**TENDER FOR THE PROVISION OF PHYSICAL PLANNING SERVICES FOR
KENGEN (Framework contracting): KGN-LEG-03-2017**

KenGen wishes to issue the following additional information on the tender in question through
CLARIFICATION 2:

No	Issue of clarification	KenGen Response
1	There are no specific areas (coverage) for the sites provided. This makes difficult in giving final tender sum. The client has only given ranges to quote for	<i>We are in the process of acquiring new sites for various uses. Negotiations and establishment of ownership rights to pave way for acquisition are ongoing. The site specifics are not fully determined to enable us to candidly state the areas (coverages). This has necessitated the use of ranges to accommodate any variations that may be resulting.</i> <i>Also, with increased exploration of wind and geothermal resources, we anticipate other jobs/ tasks to be rolling in as need arises. It is difficulty to predetermine with precision the size of land that we will be working with hence the use of ranges in our tender to take care of the uncertainty in land sizes.</i>
2	Additional preliminary requirements	Current year Practicing License in the subject field.
3	Technical evaluation <i>Main office in any of the major towns Nairobi, Mombasa, Kisumu</i>	Technical evaluation <i>Main office in any of the major towns including but not limited to Nairobi, Mombasa, Kisumu</i>

All other terms and conditions remain as per the tender document

ACKNOWLEDGEMENT OF CLARIFICATION .2
