1. I understand that participating in the Great Turkwel Race is inherently dangerous and carries with it particular risks. Such risks include insecurity, those resulting from running long distance over a rugged terrain and dehydration.
2. I am in good health and am not suffering from any medical condition which might prevent me from participating in the race.
3. I have a fully comprehensive medical insurance including that which allows for emergency medical evacuation and in the event of my requiring medical assistance or evacuation not covered by insurance, I accept full the responsibility for any costs associated with such an action.
4. I will wear good quality, suitable and well fitting running shoes while taking part in the race.
5. I will obey all instructions of race officials and of any members of the medical team. I understand that such instructions may require me not to participate in the race.
6. I will not deviate from the race course.
7. I understand that participating in the race is entirely at my own risk and acknowledge that the organizers shall not be liable for death, personal injury, loss or damage arising from my participation or as a consequence of the participation in the 2010 Great Turkwel Race. I understand the dangers of insecurity both within and outside the designated areas and while the organizers will take all reasonable precautions against any risk, no liability will attach to the organizers in the event of any incident. I undertake in any event not to get out of designated areas and accept that should do so it is entirely at my own risk.
8. I give permission for my photograph to be taken and for me to be filmed (for TV or otherwise), and used (without payment), in all publicity material relating to this and subsequent events.
9. I agree that any claim or claims whatsoever that I may have concerning or arising out of my participation in the race against the organizers shall be determined exclusively by the courts of Kenya and in accordance with the Kenyan Law.

I have read and understood the above:
