

**PLANT DESIGN, SUPPLY AND INSTALLATION OF
OLKARIA I UNITS 1, 2 AND 3 GEOTHERMAL POWER
PLANT REHABILITATION PROJECT:**

KG N-BDD-03-2019

Bid Clarification Request (In accordance with ITB 7.1)

Clarification Number	Document No.	Clause	Description of Tender Document	Bidder's Clarification	Employer's Response
1.	Part 1: Bidding Procedures Site visit	ITB 7.4 A mandatory two-day site visit	A mandatory two-day site visit conducted by the Employer will take place from Thursday 23 rd May 2019 to Friday, 24 th May 2019. Bidders shall converge at the Olkaria Geothermal Spa at 0900Hrs	In order to make the proper and competitive offer, the site survey of the existing plant is mandatory. Because the rehabilitation works differ from the new plant construction, to understand the present conditions of all the existing equipment is essential. Therefore, we request KenGen for the following site surveys ; (1) 1 (One) week site survey during the shutdown of any unit of the Olkaria I Power plant 2 (two) weeks site survey during the plant operation.	There shall be a pre-bid meeting on 22 nd May 2019 at the Olkaria Geothermal Spa at 0900Hrs. A two-day mandatory site visit conducted by the Employer shall take place from Thursday 23 rd May 2019 to Friday, 24 th May 2019. Bidders shall converge at the Olkaria Geothermal Spa at 0900Hrs. Bidders are also welcome to visit the site following the pre-bid meeting on Wednesday 22 nd May 2019 for sites outside the Power Plant. In addition to the above,

					<p>Bidders should note that the employer will facilitate the shutdown of the Plant from 23rd May 2019 to 27th May 2019.</p> <p>Bidders will be allowed to inspect the Power Plant from 24th May 2019. Inspection of specific areas of the Power Plant shall start on the 26th May 2019 to allow the Employer to put in place requisite safety measures. Bidders shall come with safety shoes, helmets and reflective jackets.</p> <p>Additional site survey while plant is in operation shall be considered on need basis. The employer shall require a two day notice before an approval is granted. This additional site survey shall be closed 30 calendar days prior to tender closure.</p> <p>Bidders shall bear all their costs related to the site visit and inspections/surveys including KWS entry fees.</p>
